

HOW TO DRAW SODA POP

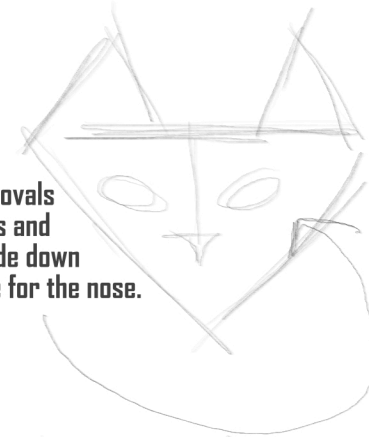

1. Start with a triangle pointing down.

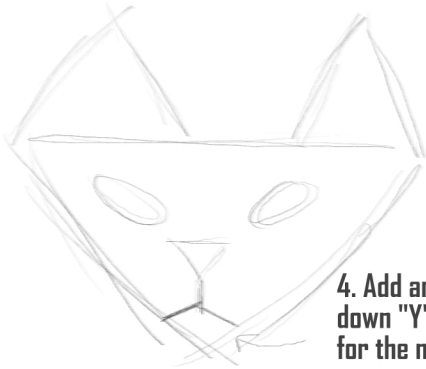

2. Add 2 triangles on top for the ears.

3. Add 2 tilted ovals for eyes and an upside down triangle for the nose.

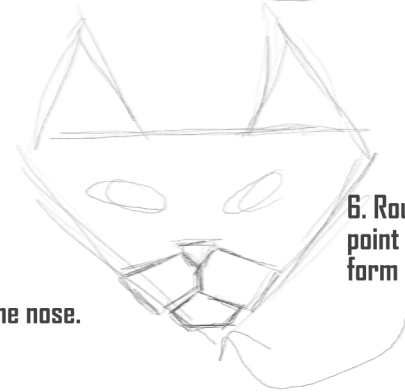

4. Add an upside down "Y" under the nose for the mouth.

5. Make two tilted egg shapes below and to the sides of the nose.

6. Round off the bottom point of the big triangle to form the chin.

7. Round out your angles on the head and around the ears to form a natural cat head. add an oval body shape below and to the side of the head to form a body.

8. Add pupils to the eyes, and curled oval "paws" to the left part of the body oval. Sketch in the tail.

9. Now is the time to use your eraser. Clean up any lines and sharp angles that need to be rounded and firm up your lines. Remember, there are no straight lines in nature. Cats are very curvy animals.

10. Practice, practice, practice! It takes a LONG TIME to learn to draw anything well! If you don't like what you drew, get a new sheet of paper and draw again! It takes artists lots of time to come up with drawings they are happy with!
